SIZE: 32" x 60" x 1.5" (42" x 70" x 3" framed)

DESCRIPTION:

DIANA by Todd Ortbring is a one-of-a-kind, mixed media tribute piece featuring the Motown legend and former member of The Supremes - **DIANA ROSS**. This creation includes the use of vintage photography, typography and collectible music related memorabilia. The unique work is created on stretched canvas and features mounted collectibles to the canvas including a black and white photo of the Supremes signed by Diana, an original concert back stage pass, a concert ticket stub (1991/Detroit) and a series of commemorative stamps. The large figure of DIANA is hand painted using metallic acrylic paint. Additional embellishments include 2,000+ rhinestones and 100 red garnet gems stones. The piece is secured and centered in a custom-built frame bordered by newspaper clippings from various publications related to Diana's career and enhanced with recessed red rope lighting.
